CONCERT BAND

FACT SHEET

The United States Air Force Band of Mid-America Concert Band represents the professionalism and excellence found every day throughout the Air Force. This diverse, 45-piece ensemble's repertoire ranges from symphonic band masterworks, to traditional marches, to modern compositions, to pops and jazz. During a concert, you are likely to hear stirring works from contemporary composers as well as the familiar sounds of John Philip Sousa or Major Glenn Miller. The band also features talented vocal soloists, performing a wide variety of popular, classical, and patriotic selections.

This ensemble primarily performs free civic outreach and recruiting concerts for audiences throughout the Midwest, playing more than 100 engagements each year. In its broader travels, the band has performed in New York City, Philadelphia, Seattle, the Gulf Coast, Germany, the Netherlands, Costa Rica, Barbados, Grenada, Guatemala, Venezuela, Bolivia, and the Azores. Each year, band members perform live before hundreds of thousands of people, and for millions more on television and radio broadcasts.

The Concert Band is often called upon to provide musical support for visiting dignitaries, and has had the distinction of performing for Pope John Paul II, Presidents George W. Bush, William J. Clinton, George H.W. Bush, and Jimmy Carter, the Queen of the Netherlands, and hundreds of other US and foreign leaders. In November 2004, the ensemble traveled to Little Rock, Arkansas to support the nationally televised grand opening of the William J. Clinton Presidential Library. The band has also backed many notable guest artists such as Bob Hope, Wilford Brimley, Jamie Farr, and the U.S.O. Girls.

Whether performing for a head of state, before a capacity crowd in our ten-state touring area, or for our troops at home or abroad, the Concert Band reflects the heritage and pride of our great nation and the United States Air Force.

F1LT COMMANDER

1st Lt. Wilson Wise, a native of Hattiesburg, Mississippi serves as the Flight Commander and Assistant Conductor of the United States Air Force Band of Mid-America, Scott Air Force Base, Illinois.

Lt. Wise commissioned from Officer Training School at Maxwell Air Force Base in Montgomery, Alabama in August 2013 after which he reported to Scott Air Force Base.

Prior to joining the Air Force, Lt Wise served as Director of Bands at Morningside College in Sioux City, Iowa. Previously he held positions at the University of Oklahoma working with the university bands and saxophone studio. Wise taught high school band in Mississippi for five years with the last three years as Director of Bands with the Poplarville School District.

Lt. Wise earned a DMA in Instrumental Conducting University of Oklahoma as a conducting student of Dr. William Wakefield. He holds a MM in saxophone performance from the same institution where he studied with Dr. Gail Hall and a Bachelor's Degree in music education from Mississippi College as a conducting and saxophone student of Dr. Craig Young.

Since being stationed at Scott Air Force Base Lt Wise has won the Company Grade Officer of the Quarter twice for Air Mobility Command Public Affairs and won Company Grade Officer of the Year for Air Mobility Command in 2014.

Professional memberships include College Band Directors National Association, Phi Mu Alpha Sinfonia, Kappa Kappa Psi, and North American Saxophone Alliance.

Master Sergeant David Hartung is a tuba player in the United States Air Force Band of Mid-America. He serves as the Noncommissioned Officer in Charge (NCOIC) of the Concert Band and Brass Ensemble as well as performs with the Ceremonial Band. Additionally he serves as Resource Advisor, the chief financial warden for the unit.

Originally from Frankfort, Kentucky, Sergeant Hartung enrolled at Morehead State University in Morehead, Kentucky where he studied with renowned euphonium soloist Dr. Earle Louder. Following two years at Morehead he transferred to the University of Kentucky at Lexington where he graduated in 1996. In 2007 Sergeant Hartung completed his Masters of Arts Degree in tuba performance with honors from Webster University, St. Louis, Missouri. He is currently pursuing his Doctorate of Musical Arts degree at the University of Illinois at Urbana/ Champaign.

Sergeant Hartung's tuba teachers include Sam Pilafian, Patrick Sheridan, Michael Moore, Jim Martin, Dr. Skip Gray, Michael Sanders and Dr. Jerry Young.

Joining the Air Force in 1996, Sergeant Hartung was assigned to the Band of Mid-America. In 2009 Sergeant Hartung was assigned to the United States Air Forces in Europe Band where he was named 2011 Non-commissioned Officer of the Year for the U.S. Air Forces in Europe Band and USAFE Public Affairs. He returned to Scott AFB in 2012, and recently won the Senior Noncommissioned Officer of the Third Quarter Award for 2015.

Sergeant Hartung has performed in 21 countries for five Presidents, Pope John Paul II, the Prime Ministers of Japan and Kazakhstan and the Secretary General of the United Nations. He has also performed on NBC's Today Show, ABC'S Good Morning America, CBS's Sunday Morning, NPR's All Things Considered and NBC's July 4th, 2004 Fireworks soundtrack with Ann Hampton Callaway and Michael Feinstein.

TOUR MANAGER

Once a performance has been approved...

The Tour Manager will:

- Ensure the venue is appropriate for the Band's needs (stage size, stage accessibility, etc)
- Discuss the Band's requirements at the venue (stands, chairs, lighting, dressing rooms, case storage, etc.)
- Coordinate with you regarding all logistical details of the day of the performance
- In addition, the Tour Manager may wish to make a personal visit weeks ahead of the performance to meet you and see the venue

The Tour Manager will put you in contact with the Band's Marketing Specialist who is the other key individual from the band with whom you will be working. The Marketing Specialist will partner with you in executing a successful marketing campaign to ensure the performance is well-advertised and well-attended.

MARKETING SPECIALIST

The Marketing Specialist will:

- Provide overall advertising guidance
- Provide graphics to use in advertisements you may wish to create
- Design advertisements for you to distribute
- Discuss ticketing options
- Design tickets for print
- Set up e-ticket accounts
- Guide execution of a successful social media campaign
- Advertise through the Band of Mid-America website, FaceBook, Twitter and Instagram sites
- Provide a .pdf of the concert program for you to print
- If available, incorporate logos and graphics from local sponsors and venues in our advertisement and program designs

OVERVIEW

Whenever appropriate and possible, we would like our sponsors to:

- **Provide a concert venue that seats a minimum of 750 people with a stage area 40 feet wide by 35 feet deep.** Auditoriums are the optimal concert venue. The auditorium should have a permanent stage, although gymnasiums or auditoriums with portable stages will be considered. Concert sites with a smaller performing area will also be considered. Auditoriums are often scheduled a year in advance, so it is important that the site be reserved as soon as possible.
- **Execute a publicity campaign sufficient to provide a capacity audience for the concert.** Publicity materials and recommendations for publicizing the concert are included in this guide. We are happy to provide publicity assistance.
- **Oversee ticketing** by either printing and distributing free admission tickets, including a 20% overprint of the capacity of the concert venue, or advertising e-ticket availability. (Further ticket information is included later in this packet).
- **Reproduce a one-page program.** Program design will be provided by the Band of Mid-America for printing.
- **Ensure ushers are present at the concert.** House ushers or local volunteers work well.
- **Be available to meet the band and provide access to the venue** approximately five hours prior to the downbeat.

All USAF Band of Mid-America Concerts must be free and open to the public.

These concerts are presented as a public service to the community FREE OF CHARGE. They are open to the general public regardless of race, color, or national origin. The Band of Mid-America will not participate in any event that directly or indirectly benefits or appears to benefit or favor any private individual, sect, political or fraternal group, or is associated with solicitation of funds or solicitation of votes in an election. Unless discussed and authorized prior to a performance, fundraising activities or other collections in connection with Band of Mid-America Concerts are strictly prohibited.

EXPENSES

There is no fee for the Band of Mid-America. The United States Air Force pays all expenses incurred for travel including transportation and housing.

Any other costs, such as auditorium rental, lighting, heating, printing of programs and tickets, publicity, janitorial fees and the cost of hiring union labor when required, **are the responsibility of the local authorities or sponsor**. Often, companies will donate these services in support of a free community event.

TECHNICAL REQUIREMENTS

AUDIO/ELECTRICAL CIRCUITS

We require two separate 20-amp, 120V grounded A/C circuits on individual breakers. They must be placed on or near the stage. Additionally, these circuits must be dedicated and not tied to stage dimmers, house lighting, etc.

SOUND

- The sound technician will use an area 8 feet wide by 5 feet deep in the middle of the auditorium (in full view of the stage).
- The Band requires a closed-house sound check two hours prior to performance

AUDIO SNAKE

The Band's audio snake will run from the stage to the console mixing area through the house seating area. For the safety of our audience members, every effort will be made to keep the snake taped to the floor and, if possible, out of sight.

HOUSE SOUND SYSTEM

At the discretion of the Band's audio engineer, if a house sound system exists, it may be used to augment the audio equipment the Band carries. The Band's audio engineer may contact the house audio engineer in advance of the performance date to discuss requirements/availability.

LIGHTING REQUIREMENTS

- Overhead white light should be suitable to read music and make all Band members visible to the audience.
- A stage manager who can run additional lighting during the concert provides a more impactful and impressive product.
- Any special lighting requirements will be coordinated with the Band's tour manager.

EQUIPMENT

- The Band will have two 34 foot trucks with approximately 3000 lbs of equipment packed in wheeled tour cases.
- In the interest of crew safety, moving equipment up and down stairs should be avoided.
- The Band members will load and unload all equipment.

STAGE AREA

- Minimum stage dimensions of 40 feet wide by 35 feet deep are required.
- 40 chairs (without arms) and 45 music stands (Manhasset or equivalent; no wire stands please) are required and should be placed at the front of the stage.
- Please ensure the space is clear and unobstructed prior to the Band's arrival.
- Any wing space should be cleared of props, boxes, etc. to ensure the Band's safety while entering and exiting the stage. Additionally, adequate and secure case storage must be made available off stage.

LOAD-IN

- The performance hall should be available five hours prior to the scheduled performance.
- The exact set-up time will be determined at least two weeks prior to our concert.
- A facility manager must be present at the facility from the beginning of the load-in through the end of the load-out.

DRESSING ROOMS

- The men's dressing room(s) will need to accommodate 35 males.
- The ladies dressing room(s) will need to accommodate 15 females.
- 2 "Star" dressing rooms should be available for the commander and deputy commander.
- Any rooms that provide coat racks, mirrors, tables, and have access to restrooms are extremely helpful. Whenever possible, the rooms should be available exclusively to the performers.
- If available, one large room should be provided (out of hearing distance of the stage) for the musicians to warm-up and be used as a storage room for instrument cases. This room must be secured when not occupied by the musicians.

PARKING

- Parking spaces are required for Band vehicles at the venue. The Band uses two touring buses and two trucks, 34' long by 12' high.

Suggested Marketing Plan

Tips for maximizing concert attendance

The Band of Mid-America Marketing Representative is available to guide you through the marketing process and suggested timeline. The Band can also provide assistance with producing specific event marketing/advertising materials and can provide assistance with utilizing electronic/social media.

While publicity campaigns will vary based on local needs, there are some standard marketing and media techniques to notify the general public of the event and assure it is well attended by your community. The following methods are time-tested and effective:

NEWSPAPER & LOCAL MAGAZINES - often will donate ad space, provide a feature story, or serve as a co-sponsor of the event; recommended 2-3 half to full page ads per the suggested timeline.

BROADCAST MEDIA - Radio, Television Network, Cable Stations; News programs often announce events based upon press releases; may schedule a broadcast interview opportunity

INTERNET - Web site, Online event calendars, newsgroups/forums, Facebook, Twitter, Instagram, Email

FIELD PROMOTIONS - Fliers, posters, cards displayed at local businesses and in prominent areas

DIRECT MAIL - use a mailing list to notify regular patrons/community supporters/VIPs; mailing lists may be obtained from organizations such as the Chamber of Commerce, School System, or Veteran's groups

ORGANIZATION "WORD-OF-MOUTH" - provide fliers or post cards to community organizations to distribute to their membership. Examples: Community bands, Veteran's groups, Senior Centers, Downtown Alliances, PTAs, etc.

GENERAL TICKET INFORMATION

REASONS TO DISTRIBUTE FREE TICKETS

- 1) Tickets are the single most important factor for attracting a large crowd! If people actually invest two minutes of their time to fill out and mail the coupon with a self addressed stamped envelope to obtain tickets, or fill out an online request for an e-ticket, they are much more likely to come to the show!
- 2) Tickets provide a place for the sponsor to put their good name next to our good name. Keep in mind that people generally take tickets and programs home as souvenirs. Every time they look at them, they will remember our professional, patriotic performance and see that you, the sponsor, made the concert possible.
- 3) Past experience has proven that advertising campaigns which effectively use tickets are quite successful.

GENERAL PRACTICE GUIDELINES

- **Access to our concerts must be free.** If possible, a ticket should be required for admission. Ticketing allows us to monitor the effectiveness of our publicity campaign and keep track of the expected attendance.
- **Overprint and distribute at least 20 percent more tickets than the seating capacity of the venue.** Do not fear the possibility of having to turn away ticket holders! The Air Force Bands have been doing this all over the country for decades, and history has consistently shown that approximately 75% of ticket holders attend the concerts.
- **Print “All ticket holders must be seated 10 minutes before the performance”** on all tickets. For example: 6:50 for a 7:00pm show or 2:50 for a 3:00 pm show. At 10 minutes prior to the concert, any remaining seats will be opened to patrons without tickets.
- **Do not number tickets.** All tickets should be “General Admission” and not numbered or correspond to specific seats in the hall. All tickets should look the same (including the overprint tickets). Stress that all seating is general admission and there is no reserved seating (see Miscellaneous section for a possible exception)
- **Avoid giving out large blocks of tickets to groups.** If there are community groups (high school bands, retirement homes, etc.) who wish to request a large group of tickets, ask for an exact count so that unused tickets may be distributed.

PRINTED TICKETS

If the ticketing option you choose is printed tickets, the Marketing Specialist can help you design them. Always use a single point of distribution for your tickets. Check with your venue, there may already be a process in place. If there is not a process in place we can guide you through the steps.

E-TICKETS

E-tickets (electronic tickets) are also an option for part or all of your ticket distribution. The Band of Mid-America Marketing Specialist will be happy to discuss which option is most appropriate for your venue and anticipated audience. If you wish to use e-tickets and don't have an account from which to do this, the Marketing Representative will assist with setting one up. When choosing e-tickets for part or all of your tickets, we still ask that you distribute 20% more tickets than the venue seats.

CONCERT PROGRAMS

Two to three weeks prior to the concert, you will receive an email with a .pdf file of the program for you to print. There is space available on the cover for local information, including the name and/or logos of our community partners. Advertising in the program is strictly prohibited. The band can provide assistance with printing programs if needed. Contact the Marketing Specialist for further details on the assistance we can provide

THE UNITED STATES AIR FORCE BAND OF MID-AMERICA is the principal musical ambassador of Headquarters Air Mobility Command. These talented Air Force ambassadors have had the distinction of performing for Pope John Paul II, Presidents George W. Bush, William J. Clinton, George H.W. Bush, and Jimmy Carter, Queen of the Netherlands, and hundreds of other US and foreign leaders. The band performs civic outreach and recruiting concerts for audiences throughout the Midwest, playing approximately 400 engagements each year. In its broader travels, the band has performed in Iraq, Kuwait, Qatar, Afghanistan, Kyrgyzstan, Djibouti, Costa Rica, Barbados, Grenada, Guatemala, Venezuela, Bolivia, Germany, the Azores, and the Netherlands. Whether recording or performing for live, radio, and television audiences, band members reflect Air Force excellence to millions of people each year.

USHERS: While seating will be on a non-reserved basis, sponsors should provide people to collect tickets and distribute programs. Local Scout Troops and Jr. ROTC units can fulfill their community service requirements this way.

RESERVED SECTION FOR SPECIAL GUESTS: We encourage you to designate a special section of reserved seating for certain dignitaries (i.e. Senator, Mayor, military members). Remember, the larger the section the more difficult it is to control.

INTRODUCTION OF THE BAND: Since the band has a special opening production there is no requirement for an introduction by a local personality. However, if you would like to introduce us you are welcome to do so.

PRESENTATION OF THE COLORS: Our concerts will always include the National Anthem. Occasionally there may be a local Veterans or Scouting Group who would like to present the colors. We welcome and encourage their inclusion in our concert! Please coordinate this with the Tour Manager.

PUBLIC THANK YOU: The band would like to recognize our community sponsors during the performance. Please let us know the names and titles of the people to be recognized so that we may publicly thank them during the concert.

PHOTOGRAPHS: We encourage you to take photographs of the band during performances. We would appreciate copies (preferably in digital format) of any pictures that are taken.

SOCIAL MEDIA: The USAF Band of Mid-America is active on several social media sites and would love to connect with you and your community. Join the conversation using #BomaConcertBand
